Please read the following benefits of cover in accordance with the level of cover you have which is detailed on your product schedule.

10 Miles Local Cover

The following service is provided with all levels of cover:

Roadside Assistance

In the event of a breakdown within the territorial limits, which occurs more than a one-mile radius/straight line from your home address and during the Product Term, we will arrange and pay for a recovery operator to attend the breakdown and where appropriate, spend up to 60 minutes to try and repair the vehicle.

Local Recovery

If, in the opinion of the recovery operator, they are unable to repair the vehicle within 60 minutes at the roadside we will assist in the following way:

Either:

- Arrange and pay for your vehicle and the passengers to be recovered to the nearest suitable garage which is able to undertake the repair within 10 miles from the scene of the breakdown.

Or:

- If the above is not possible at the time or the repair cannot be made within the same working day, we will arrange for the vehicle and the passengers to be recovered to your chosen destination up to 10 miles from the scene of the breakdown.

Recovery of your vehicle and passengers must take place at the same time as the initial callout otherwise you will have to pay for subsequent callout charges.

If your vehicle requires recovery, you must immediately inform our rescue co-ordinator of the address you would like the vehicle taken to. Once the vehicle has been delivered to the nominated address, the vehicle will be left at your own risk.

Emergency Overnight Accommodation*

We will pay up to £150 for a lone traveller or £75 per person towards the cost of overnight accommodation including breakfast for the passengers whilst your vehicle is being repaired. The maximum Emergency Overnight Accommodation payment per incident is £500.

- The vehicle must be repaired at the nearest suitable garage to the breakdown location
- The vehicle cannot be repaired the same working day

Before arranging these services, authorisation must be obtained from our rescue co-ordinator. The product will only pay for a hire vehicle which we deem is appropriate for your requirements and is available at the time. We will only reimburse claims when we are in receipt of valid proof of payment.

In the event of a breakdown where your caravan/trailer is attached, providing the caravan/trailer is fitted with a standard 50mm tow ball coupling hitch and does not exceed 7 metres/23 feet in length (not including the length of the A-frame and hitch), your caravan/trailer will be recovered with your vehicle at no extra cost.
